

### Medigap Insurance Approved Listing

Medigap Inkeys are used by participating providers to indicate which Medigap insurance company the patient has for a supplemental insurance. When filed correctly, we automatically cross over claim payment information to the Medigap insurance company. **The use of the 5-digit INKEY is mandatory.** Claims will not be sent to the Medigap insurer if the 5-digit INKEY is not on the claim. The Medigap Inkeys may also be [downloaded](#) as a comma delimited text file.
